

RECOMMENDATION LETTER

To whom it may concern

It is a great pleasure to recommend **Bojan Vrshkovski** who participated in Scalefocus Java Academy that ended on **30/06/2023**.

During that time, we watched the cadet grow into a good professional who excelled in both his academic and personal tasks.

Bojan Vrshkovski showed good understanding of the topics covered during the Java Academy – High Quality Code, Git, Build Tools, Exceptions handling, Databases, JDBC, Spring, Testing, HTTP & REST, Hibernate and Agile methodologies.

Bojan has good communication skills and has been very organized through the academy.

In conclusion, we would highly recommend **Bojan Vrshkovski**. They would be a great addition to your organization.

Should you need any additional information, feel free to contact Scalefocus Academy – office@scalefocus.academy

Sincerely,
